

Stanza®

Opening Adapter

SZ-ZO

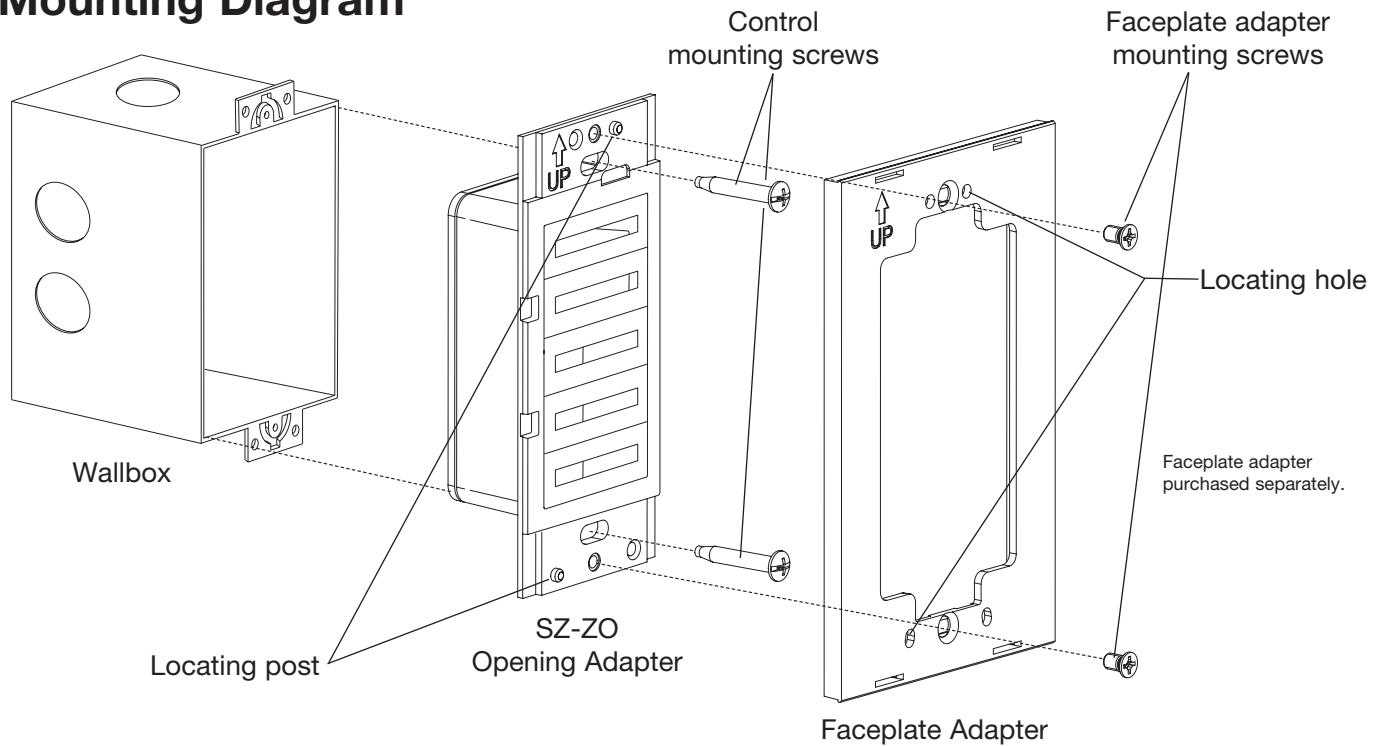

WARNING! - Shock hazard - Installing with power ON may result in serious injury or death. Locate and remove fuse or lock circuit breaker in the OFF position before proceeding.

Installation

1. Turn power OFF at fusebox or circuit breaker.
2. Insert Opening Adapter in wallbox. Can be used as placeholder in any or all empty spaces in a 1- to 6-gang wallbox.
3. Screw in place with included screws.
4. Attach faceplate adapter to main unit using screws provided with faceplate (sold separately).
5. Tighten control mounting screws until faceplate adapter is flush to wall (do not over tighten).
6. Snap faceplate onto faceplate adapter (faceplate sold separately).
