

## Personalized Engraving Instructions

- 1** Use temporary label sheets until final programming and engraving is determined. Ensure buttons and hands are clean before applying labels. Use raised edge on left-hand side of button to align label.

- 2** When final engraving is determined, fill out Engraving Schedule(s) at [www.lutron.com/buttons](http://www.lutron.com/buttons), or for Homeworks® engraving use the *Homeworks Illumination™* software.
