

Onsite Performance-Verification Walkthrough (LSC-WALK)

An onsite walkthrough by a Lutron Service Representative to demonstrate system functionality to the commissioning agent. This is typically purchased in conjunction with LSC-LEED-DOC.

Visit Summary

- A Lutron Service Representative will perform tasks, at the request of the facility representative or commissioning agent. Those tasks may include, but are not limited to, the following:
 - Demonstrate wall control functions.
 - Explain timeclock schedules.
 - Describe occupancy and/or daylight sensor functionality.

Additional Information

- Lutron requires 10 business days notice to schedule an onsite visit.
- Coordination of the required visit attendees, including the commissioning agent, is the responsibility of the facility representative.
- Quantity dictates the number of days purchased.
- Facility representative should secure access to the required areas prior to the visit date.
- Visit occurs after Lutron has completed the startup of all equipment.
- This visit may occur after hours.
