

Lutron® | Maestro® Satin Colors® Collection

**Convenience, style, and comfort
for every room in your home.**

Maestro dimmer and Satin Colors™
wallplate shown in mocha stone

The Maestro® Collection creates convenience, style, and comfort for every room in your home.

Set the perfect mood for entertaining, dining, and relaxing, while experiencing the energy savings and lamp life extension that Lutron dimmers can provide.

Maestro products are specifically designed to control many different light sources including: incandescent, halogen, **new fluorescent**, magnetic low voltage transformers, and electronic low voltage transformers to meet all of your needs.

Use Satin Colors® accessories to create a beautifully coordinated look throughout your home. The kitchen is a great place to start your home design or makeover project. Match any of our 20 Satin Colors to your walls, backsplash, cabinets, tiles, and marble finishes for a customized look. Add the finishing touch to every room in your home with Satin Colors accessories.
