

Lutron Fixture Solutions **Earth Day** Promotion

up to 20% Off!

Available now for 2 ft and 4 ft stairwell LED fixtures

Go green and help the environment with these energy-saving solutions!

Lutron's stairwell fixtures lower energy costs by automatically adjusting light output based on stairwell occupancy. This retrofit solution:

- Utilizes a Radio Powr Savr™ wireless occupancy sensor (sold separately)
- Saves up to 80%¹ lighting energy with a Lutron stairwell solution
- Has an architectural design with diffused LEDs
- Meets building codes and standards

Take advantage of this great opportunity to grow your business and save energy!

Use promotional code: STRWL-PROMO-2015.

Order 25-99 fixtures and receive 15% off. Order over 100 fixtures and receive 20% off. Contact your Lutron representative for pricing or fixtures@lutron.com for more information.

This promotion is only for the models listed below:

FXSWLX4H – 4' High Power 40W fixture

FXSWLX4L – 4' Low Power 20W fixture

FXSWLX2H – 2' High Power 30W fixture

FXSWLX2L – 2' Low Power 15W fixture

LRF2-OWLB-P-WH – Wall-mount Radio Powr Savr occupancy sensor (limit 1 sensor per 2 fixtures)

Lutron's stairwell LED fixtures are Design Lights Consortium (DLC) compliant. See back for available rebates in your state for additional savings!

Offer expires August 31, 2015

Visit earthday.org/2015 for more information on Earth Day.

¹ Savings up to 80% is based on replacing a 4ft T12 fixture (2-40W lamps at 100% output), with a 4ft LED Lutron stairwell solution (40W at 80% high-end output, 20% low-end output). Existing system operation is based on 8760 hours of annual use. Replacement system operation is based on 25% occupancy. Actual savings may vary based on existing fixture wattage and stairwell occupancy. Ensure replacement fixture meets the required light levels.

Save even more with stairwell fixture or sensor rebates

In addition to the Earth Day promotion pricing, take advantage of these rebate and incentive opportunities in your state to improve your ROI even more!
