

# BALLAST WARRANTY

Lutron warrants each new ballast for a period of three years from the date of shipment, to be free from defects in materials or workmanship under conditions of normal use when installed and operated under Lutron product specifications and in accordance with the applicable National Electrical Code and Safety Standards of Underwriters Laboratories. Lutron shall, at its option, repair or replace any defective unit that, in its opinion, has been properly installed, wired, insulated, used and maintained, provided that Lutron shall not be required to remove, install or re-install any defective unit and provided that Lutron is promptly notified of said defect within the aforementioned warranty period. The foregoing warranty and optional remedies are exclusive and, except for the foregoing warranties, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR OF ANY OTHER TYPE. In no event shall Lutron or any other seller be liable for consequential or special damages, nor for any repair work undertaken without its prior consent, nor shall Lutron's liability on any claim for damages arising out of or connected with the manufacture, sale installation, delivery or use of said unit ever exceed the price paid therefor. Lutron will not be responsible for any ancillary equipment not furnished by Lutron which is attached to or used in connection with the ballast, or for operation of the ballast with any ancillary equipment and all such equipment is expressly excluded from this warranty. Furthermore, Lutron will not be responsible for any damage to the ballast resulting from the use of ancillary equipment not furnished by Lutron for use with the ballast.

Lutron Electronics Company, Inc., reserves the right to make improvements or changes in its products without prior notice. Although every attempt is made to ensure that this information is accurate and up-to-date, please check with Lutron to confirm product availability, latest specifications, and suitability for your application.
