

# Lutron Custom Printed Shade Order Form

(Must be sent via email with a reference to the Project ID from myProjects, and a unique line must be provided for each print line item)

Job Name: \_\_\_\_\_

## 1 Choose a Printable Fabric

Custom printing can only be done on white fabric.  
Choose from eligible fabrics listed below; all are fire rated.

- Sheer
  - E Screen, 3%, White/White (S0202-E-3)
  - E Screen, 10%, White/White (S0202-E-10)
  - M Screen, 5%, White/White (S02020-M-5)
- Blackout
  - Avila, 0%, White (BA-0002-0)

**NOTE:** Only the fabric face of Avila may be printed. The printed fabric face will be oriented toward the window or the room according to the **Printed Image** selection made in section 3 below.

## 2

Line Item	QTY	Width	Length	Fabric type #	Room Location

## 3 Specify Image Placement

### Printed Image

- Window side
- Room side

### Image appears on shade

- Centered
- Justified
- Full Bleed
- Other (explain below)
