

Select your favorite light level for any activity with a touch of the silver button.

- Dim the lights to watch television, or bring them up to full brightness for reading, without leaving the comfort of your couch... or your bed.
- The remote control is compatible with “learnable remotes” enabling you to control your stereo, TV, and lighting with one universal/smart remote.

For a complete listing of available product numbers for Maestro IR® products please refer to pages 60-63.

Control your fan and light from the wall or remote control.

- When the room temperature changes, use the remote control to adjust the seven fan speeds to achieve total comfort—without getting out of bed.

• battery included

Shown actual size: Maestro IR® preset dimmer and 1-gang Claro® wallplate in white (WH)
