## **Ivalo Lighting Recognized with GOOD DESIGN™ Award**

*L'ale Interior Sconce secures the company's third consecutive award*

**Coopersburg, PA** (January 6, 2010) – Decorative fixture manufacturer Ivalo Lighting is pleased to announce that its L'ale Interior Sconce is the recipient of a 2009 Chicago Athenaeum GOOD DESIGN Award.

The sleek L'ale sconce, designed by renowned architect William Pedersen, is a custom fixture that uses tiny, energy efficient LED light sources. The sconce was developed to integrate with most design plans and to add a sense of intimacy to residential and commercial spaces. Plus, the L'ale interior sconce is available in premium automotive paint finishes, including matte titanium, slate and graphite as well as custom colors so it is sure to enhance any décor.

The L'ale interior sconce has a suggested list price of \$1,400 and is available through any local distributor or manufacturer's representative. For more information, please contact Ivalo Lighting at 610.282.7472.

### **About the GOOD DESIGN Award**

Now in its 59<sup>th</sup> year, the GOOD DESIGN Award is sponsored by the Chicago Athenaeum Museum of Architecture and Design and The European Centre for Architecture Art Design and Urban Studies. Founded in Chicago in 1950 by architects Eero Saarinen, Charles and Ray Eames and Edgar Kaufmann Jr., GOOD DESIGN bestows international recognition upon the world's most prominent designers and manufacturers for advancing new, visionary and innovative product concepts, invention and originality and for stretching the envelope beyond what is considered ordinary product and consumer design.

### **About Ivalo Lighting ([www.ivalolighting.com](http://www.ivalolighting.com))**

Founded in March 2000 by Dr. Susan Hakkarainen, Ivalo Lighting has a three-part mission. First, is to create decorative lighting fixtures of advanced-design. Second, is to create fixtures which integrate architecturally into their surroundings, rather than appearing as discrete objects. Third, is to assemble the best designers from around the world to produce a diverse design collection. In all three aspects of the mission, Ivalo judiciously employs advanced technologies to realize these goals, reaching beyond the conventional manufacturing techniques of the lighting industry.

Ivalo Lighting has worked with some of the most pre-eminent designers in the industry from around the globe. Owned and operated by lighting control manufacturer Lutron Electronics, Ivalo has nationwide representation in the United States, as well as in Canada and Mexico.
