

## **Lutron Releases Home Control+ App, Version 3.X for Android™ Devices, Updates App for Apple® Devices**

**Coopersburg, PA (September 7, 2011)**—Lighting control manufacturer Lutron Electronics is pleased to announce the release of its Home Control+ app for Android devices, as well as enhancements to its version for the Apple iPhone®, iPad® and iPod Touch®. The apps control Lutron's RadioRA® 2 and HomeWorks® QS total home control systems.

The new versions of the Lutron Home Control+ app, version 3.X, include several new features:

- ability to edit, and save, in real time, light and shade levels programmed to keypad buttons and timeclock events using the Level Editor
- ability to control Sivoia® QS Venetian Blinds with Intelligent Tilt Alignment
- view and edit setpoints and HVAC schedules
- timeclock control - view and edit timeclock events
- support for the Pico™ wireless control
- modified adding, editing and deleting of systems to match iOS user interface
- ability to directly control 3-wire AC motor loads (Apple devices only)
- ability to directly control maintained contact closure loads (Apple devices only)

Lutron's Home Control+ app is available now on iTunes® and the Android Market for \$19.99.

### **About Lutron Electronics ([www.lutron.com](http://www.lutron.com))**

Lutron Electronics, headquartered in Coopersburg, Pennsylvania, designs and manufactures energy-saving lighting controls, automated window treatments and appliance modules for both residential and commercial applications. Its innovative, intuitive products can be used to control everything from a single light, to every light, shade and even stand-by power in a home or commercial building. Lutron products make any space more versatile, while enhancing ambiance, comfort and productivity. They also save energy and make light bulbs last longer, making them an eco-friendly addition to the home and workplace. Founded in 1961, Lutron estimates that the installed base of its products saves the nation nearly 10 billion kWh of electricity, or approximately \$1 billion in utility costs per year. Lutron manufactures more than 16,000 energy-saving products, sold in more than 100 countries around the world.
